# **Coalition Works to Unite Various Groups**

A.H.R.S.J. is working with dozens of conservative organizations from California to Virginia, Alaska to Florida, most all the 48 states have been contacted in person, as have many religious groups throughout America-to form a CONSERVATIVE COALITION so that our voice and votes will be heard and count most!. Such a NATIONAL CONSERVATIVE COALITION will send the liberal-left in the MEDIA, the CONGRESS, and STATE levels a very strong message.

We support the President's Policy in Central America to back the F.D.N. Freedom Fighters to rid the area of the Marxist Threat there as WE here in TEXAS are next on their list(the communist), WE DON'T support the so-called "SANCTUARY MOVEMENT" as this is being used by pro-marxist as a smoke screen to hide marxist terrorist who enter the U.S.A. and we don't believe in encouraging churches to break the laws of America! Such acts violate our National Security!. And such lawbreakers should be tried and sent to jail!

If you believe as we do, and support our President, and U.S. Policy, let us hear from you today, working together WE can defeat the liberal left, and the marxist who would destroy America and Central America.

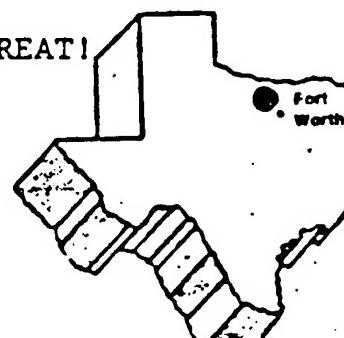

WITH GOD AND PATRIOTISM WE SHALL DEFEAT THE COMMUNIST THREAT!  
We ask you for your prayers and support today.

\* \* PROPAGANDA AND MISINFORMATION \* \*

When it comes to propaganda the communists are masters of the game, when it comes to winning any game you beat your opponent with his own rules... they proved it in Vietnam.

It is the free nature of society in the United States that allows our enemies to threaten our way of life through mass propaganda, misinformation, espionage, and terrorism.

The few liberal U.S. citizens who are willing agents of the communist empire builders (liberal well meaning unwitting dupes and useful idiots) go under the guise of various groups such as WITNESS FOR PEACE and local in Texas, Jennifer Eppler of the Fort Worth InterReligious Task Force on Central America.

These groups and others are part of a U.S. network support structure that exists in over 40 countries whose goal is to save the communist Sandinista regime at any and all cost. They are attempting to do this by attacking the free press and free speech rights of private groups and individuals who oppose communist expansion in Central America.

Puzzling are the U.S. CHURCH GROUPS that allow themselves to be exploited by the communists in Nicaragua and El Salvador to serve the expansionist ends of the political masters in Moscow and Havana.

Their tactic is transparent for all to see, and will fail. These church groups supporting refugees from Central America all tend to support the communist view point of Daniel Ortega.

Everyone in America who believes in Liberty and Freedom must be united in our efforts to defeat these communist dupes at their own game of misinformation and propaganda.

For them to abridge ANY of our sacred freedoms would be to admit defeat, and this we shall never do.

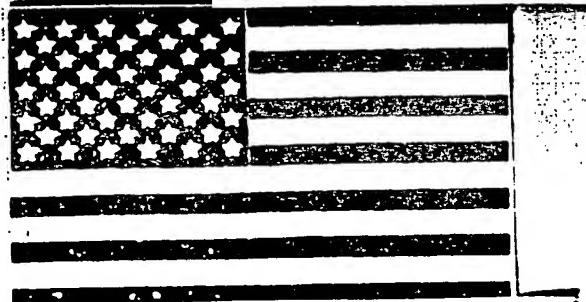

With YOUR SUPPORT and prayers we shall defeat these communist both in the U.S. and in Central America, let us hear from you.

SUPPORT OUR NICARAGUAN FREEDOM FIGHTERS and defeat Daniel Ortega. Down with Nicaragua's Marxist Regime and all pro-commie groups in the United States.
